## ■ Webster is in from the cold (twice)

William H. Webster

Yesterday was anything but humdrum in the life of WILLIAM H. WEBSTER, who has been director of both the C.I.A. and the F.B.I., and who is a former Federal appeals court judge. He celebrated the birth of his sixth grandchild, BENJAMIN WEBSTER ROESSLE, and he became a senior partner in the law firm of Milbank, Tweed, Hadley & McCloy.

He said yesterday from his new office in Washington that his job is to "help develop a litigation practice in Washington and have a role in international corporate banking, and trade and administrative practices in a number of parts of the world."

"I hope I'll be kept busy," he added. Probably, Judge Webster.
